Re: United States of America v. Michael Maranda
Docket No.: 11-CR-804

Dear Judge Wexler:

My client, Michael Maranda is currently released on bail with a condition of home detention.

During the week of August 13, 2012 through August 17, 2012 he needs to go to Suffolk Community College (Selden Campus) to meet with a school counselor, arrange a schedule, and register for classes which hopefully will put him on a new career path.

This is to request permission for him to do this. I have spoken to AUSA Raymond Tierney and he has no objection to this request.

Very truly yours,

Terrence P. Buckley
